Adult prevalence	5.9%
Adult and child deaths due to AIDS	2.1 million

South and South-East Asia

Adults and children living with HIV	7.8 million
Women living with HIV	2.2 million
Adults and children newly infected with HIV	860,000
Adult prevalence	0.6%
Adult and child deaths due to AIDS	590,000

East Asia

Adults and children living with HIV	750,000
Women living with HIV	210,000
Adults and children newly infected with HIV	100,000
Adult prevalence	0.1%
Adult and child deaths due to AIDS	43,000

¹ All figures from UNAIDS AIDS Epidemic Update 2006

Eastern Europe and Central Asia

Adults and children living with HIV	1.7 million
Women living with HIV	510,000
Adults and children newly infected with HIV	270,000
Adult prevalence	0.9%
Adult and child deaths due to AIDS	84,000

Caribbean

Adults and children living with HIV	250,000
Women living with HIV	120,000
Adults and children newly infected with HIV	27,000
Adult prevalence	1.2%
Adult and child deaths due to AIDS	19,000

Latin America

Adults and children living with HIV	1.7 million
Women living with HIV	510,000
Adults and children newly infected with HIV	140,000
Adult prevalence	0.5%
Adult and child deaths due to AIDS	65,000

North America

Adults and children living with HIV	1.4 million
Women living with HIV	350,000
Adults and children newly infected with HIV	43,000
Adult prevalence	0.8%
Adult and child deaths due to AIDS	18,000

Western and Central Europe

Adults and children living with HIV	740,000
Women living with HIV	210,000
Adults and children newly infected with HIV	22,000
Adult prevalence	0.3%
Adult and child deaths due to AIDS	12,000

Middle East and North Africa

Adults and children living with HIV	460,000
Women living with HIV	200,000
Adults and children newly infected with HIV	68,000
Adult prevalence	0.2%
Adult and child deaths due to AIDS	36,000

Oceania

Adults and children living with HIV	81,000
Women living with HIV	36,000
Adults and children newly infected with HIV	7,100
Adult prevalence	0.4%

The National AIDS Trust (NAT) is the UK's leading independent policy and campaigning voice on HIV and AIDS. We develop policies and campaign to halt the spread of HIV and AIDS, and improve the quality of life of people affected by HIV, both in the UK and internationally.

We aim to prevent the spread of HIV and AIDS, ensure people living with HIV have access to treatment and care, and eradicate HIV-related stigma and discrimination.
